

ICSAS 2024

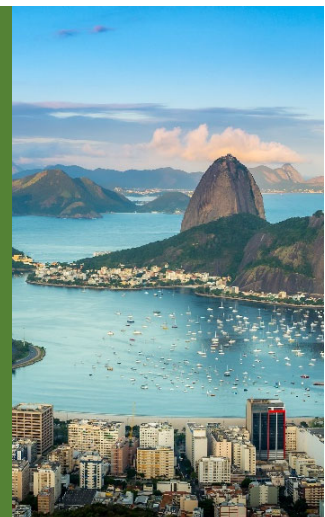

10th International Conference on Steel and Aluminium Structures

5-7 June 2024 - Rio de Janeiro, Brazil

This will be the 10th ICSAS 2024 - International Conference on Steel and Aluminium Structures. Nine ICSAS Conferences have been successfully held in Cardiff, UK (1987), Singapore (1991), Istanbul, Turkey (1995), Helsinki, Finland (1999), Sydney, Australia (2003), Oxford, UK (2007), Kuching, Malaysia (2011), Hong Kong, China (2016) and Bradford, UK (2019). The conference aims to bring international experts and leaders together to disseminate recent research findings in steel and aluminium structures. It will also provide a forum for the discussion of the developments in the design and construction of steel and aluminium structures.

The 10th International Conference will take place in Rio de Janeiro, from Wednesday, June 5 to Friday, June 7, 2024. This conference will be of interest to steel and aluminium structure designers and manufacturers, trade associations, design engineers, steel fabricators, architects, owners or developers of steel and aluminium structures, researchers, academics and postgraduate students.

This conference will be a tribute to our friend Prof. Pedro Vellasco.
